About Academy

Patwa Academy for Education was born out of the ideology that children must be given an environment that makes them come to school every day. The school was founded in July 2006 as an English medium co-educational for Residential and Day Scholars as well. Patwa Academy for Education aims to provide an education to young minds that will allow them to attain how to learn, understand, how to adapt to the changing world around them, become global citizens with a local vision, develop a sense of international mindness and cherish the individuality of man and the commonality of mankind. As a school, we strive to temper our daily thoughts and actions with core values of honesty, compassion, inclusion, tolerance, altruism and service.

The Academy is an English Medium Co-educational Residential cum Day Boarding School, affiliated to CBSE, New Delhi.
