

PAE celebrated Christmas Day on 24th December Saturday just a day before the winter vacation geared off. The festive spirit was witnessed among the school staff and students.

Tiny tots of pre primary section of Patwa Academy for Education celebrated Christmas Day by exhibiting their talents through songs and dance performances. Students of middle school also enthralled the audience by another lovely dance performance. The students spread cheer with their smile and exquisite attire. Students and staff have truly opened their hearts to holiness and godliness.

Mr. N.K. Paliwal expressed his delight on seeing such enthusiasm in children who brought the spirit of Christmas to life. We understand happiness lies in celebrating together as a family and students of Patwa Academy made the PAE family bigger and celebrations better!!!!

Glimpse of our Christmas celebration---
